

Groombridge Mens Shed Newsletter

Greetings to all Groombridge Shedders!

May 2022

Well at long last we have made it. The grand opening of Groombridge Men's Shed will be on Sunday 29th May.

Groombridge Men's Shed is but a name. Of course, the shed is open to all Groombridge residents and ladies are very welcome. So if you have a project, you have been meaning to start but do not have the space or correct tools at home then come along to the shed where you can work safely with others and get help and advice, as well as a cuppa and a chat.

We hope to have various demonstrations from local artisans in different aspects of woodwork, from wood turning and joint making and also in leather work and glasswork. So watch this space for coming talks and demonstrations.

We hope to carry out small community tasks for people. Such as making planters, bird boxes, garden furniture and much more. We would ask for a donation for any work we do to help with maintenance and running costs, and also to cover the price of materials.

Of course, it goes without saying that the shed needs to be used. So we encourage all our members to come along and participate. If not yet a member then please come along to find out what is about and, hopefully, sign up. There is not currently a joining fee or membership fee.

Please contact Jim Litchfield on 07722 980554 or Chris Scrine 07798 907776 or Richard Hunt 07773 932477
